THE SCOUT

JUNE 2016

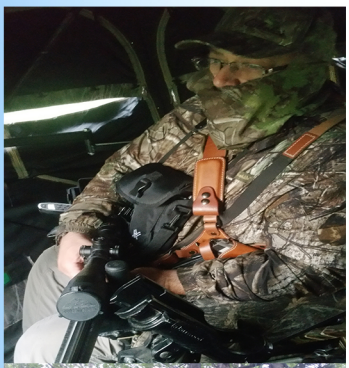
1 TEAM 1 MISSION

Alaska's Healing Hearts sponsored a team of shooters to the Alaska Elks Fun Trap Shoot, benefiting the Eagle River Elks. Wounded Warrior Programs.

"The Best time"
-I always wanted to go bear hunting. Chris Eason is a longtime supporter of AHH and often donates time and supplies to our adventures.
It was our turn to give back!

Chris's adventure began on a muddy logging road where we assisted him into his track chair made especially for rough terrain transport. As we hiked into our stand, we had mechanical issues with the tracks and a speedy repair took place on the trail with basic tools and survival items. Once the team approached the bait station we secured Chris and his riffle in a ground blind. Michelle Sat with Chris in the blind, Micah and Mike provided additional over watch support from above.

Chris expressed his thanks, to the team and the smile on his face was a mile long. We did not get the chance to see a bear, we did get to see other wildlife and Chris expressed his thanks with bear hugs and he let us know he had "The Best Time"
Thank you Chris for all that you do!
- Alaska's Healing Hearts



Wyatte "Zippy" Ricks
This is one fast machine,
The Driver Wyatte is selling his hoodies with the AHH brand and dontating 50% of sales to Alaska's Healing Hearts.
for more information visit facebook and search for Wyatte Ricks, or visit the Alaska Raceway Track.

July 2nd, Alaska's Healing Hearts will cook breakfast for the Fisher House. Fisher Houses provide military families housing close to a loved one during hospitalization for an illness, disease or injury. For more information visit www.fisherhouse.org
